1. In order for a brand name product to be dispensed, the prescriber must write "Brand Necessary" or "Brand Medically Necessary" or any required state-specific language.
2. By signing this form, you are authorizing the pharmacy and its representatives to act on your behalf to obtain prior authorizations for the prescribed medication(s). We will also pursue available copay and financial assistance on behalf of your patients when available.
3. The pharmacy can only accept faxed prescriptions directly from a prescriber's office.
4. Prescribers must comply with any of their state-specific prescription requirements.
